The new degree of comfort.™

Professional Classic[™] Atmospheric gas water heaters feature the Guardian System[™] and are CSA and HUD certified for Manufactured Housing

Efficiency

• .58 - .61 EF

Performance

- FHR: 65 gallons for 50-gallon model, 59 gallons for 40-gallon model and 48 gallons for 29-gallon model
- Recovery rates: 38.4 for 50-gallon, 34.3 for 40-gallon and 32.3 for 29-gallon natural gas models at a 90 degree rise

Longer Life

 Rheem exclusive R-Tech (resistored) anode rod provides long-lasting tank protection

Guardian System[™] & Sensor

- Exclusive air/fuel shut-off device
- Maintenance free no filter to clean
- Disables the heater in the presence of flammable vapor accumulation

Flexibility

 Field convertible controls and burner assembly for natural gas or LP operation included

Low Emissions

• Eco-friendly burner, low NOx design

Altitude Certification

- 40 and 50-gallon units is up to 7,700 ft. above sea level
- 29-gallon units is up to 6,000 ft. above sea level
- High altitude models available

Draft Diverter

Improved design provides efficient heating with down-draft protection.

Plus...

- Enhanced flow brass drain valve
- Side inlet temperature and pressure relief valve opening
- Factory installed temperature and pressure relief valve – side location
- Low lead compliant
- Two hole top for anode rod and hot water outlet
- Exclusive Rheemglas® tank lining resists corrosion and prolongs tank life
- Piezo ignition easy light pilot, no matches required
- Cold water inlet side connection allows for quick, economical hook-up
- Optional leg kit for replacement units
- EverKleen[™] patented system fights sediment build-up

Warranty

 6-Year limited tank and parts warranty*

*See Residential Warranty Certificate for complete information

Units meet or exceed ANSI requirements and have been tested according to D.O.E. procedures. Units meet or exceed the energy efficiency requirements of NAECA, ASHRAE standard 90, ICC Code and all state energy efficiency performance criteria.

Professional Classic Atmospheric for Manufactured Housing

29, 40 and 50-Gallon Capacities Natural and LP Gas

See dimensions chart on back.
