RHML Series

Air Conditioned Just Right

Customize the condition of your home's air. The Rheem High-Efficiency Air Handler adjusts airflow in the home to help control humidity. Airflow can be set for specific needs, so your home feels just the way you want it to.

Quiet and Efficient

The sturdy design of the Rheem High-Efficiency Air Handler provides excellent thermal and sound insulation, which means you get quiet and efficient comfort.

Guaranteed Reliability

Built with pride, our quality construction delivers quiet operation and long-lasting, reliable performance, all backed by a conditional 10-year parts warranty.

Why Rheem?

Enjoy cool summer days and warm winter nights with a reliable Rheem High-Efficiency Air Handler. Rheem offers products that fit every budget, so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners 'The New Degree of Comfort' through the development of energy-efficient heating and cooling solutions designed to save money and go easier on the environment. With a Rheem High-Efficiency Air Handler, you'll enjoy a perfect balance of maximum efficiency and savings.

Enjoy the Benefits of Advanced Comfort

The Rheem High-Efficiency Air Handler is engineered to improve energy savings and comfort all year long. The unit's versatile design makes it a great fit for any system and keeps your home conditioned just the way you like it.

Energy Savings The Rheem RHML Series Air Handler is designed for high performance, exceeding the standard efficiency requirements and, in many cases, enhancing the efficiency rating of your outdoor air conditioning unit.

Humidity Control A new Rheem Air Handler will help manage humidity levels in the home, improving your comfort and helping you save money on energy bills.

Efficient Heating & Cooling Rheem Air Handlers also feature a flexible design that allows them to meet the needs of a variety of systems. Your contractor will recommend a unit that will best meet your home's airflow needs.

The Rewards of Rheem Proven Quality

Quiet Operation The Rheem RHML Series Air Handler is designed with a sturdy steel cabinet with one inch of foil-faced insulation, offering excellent thermal and sound insulation.

Versatile Design The 4-way convertible design of Rheem Air Handlers allows the unit to fit in with the design of your home. An expansion valve allows the air handler to work in conjunction with either an air conditioner or heat pump. A drain pan can be used in multiple positions. Options for power connection provide installation flexibility – no matter where the unit is located in your home.

Easy Service Rheem Air Handlers have been engineered to provide your technician easy access to all internal components, helping any service time stay short and simple.
