

Rheem Commercial Series

Model RLNL 13 SEER Model RLPL 14 SEER Package Air Conditioner

Limited Warranty Information

All of our Rheem package units were developed with reliability and durability in mind. The Copeland® Compliant Scroll® Compressor features a five-year limited warranty on all 13 SEER models, and on 14 SEER single and three-phase models installed in commercial applications. In addition, a 10-year limited warranty is offered on 14 SEER single-phase models installed in residential applications. All other parts have a limited warranty of one year for single and three-phase models installed in commercial applications, and five years for single-phase models installed in residential applications.

The Features You Want

1 The Scroll® Compressor
Uses an advanced technology that has fewer moving parts, is quieter, and longer lasting.

2 Durable Cabinet/Water Management

The low-profile cabinet features a durable powder-paint finish for superior protection from the elements. Louvered panel kits are also available for added protection of the condensing coil.

Water Management:

One-piece top over indoor section
Drawn, painted durable base pan
1" raised flanges for supply/return air connections

- 3 1" Factory Installed Filter
 There are also provisions for field installed 2" filters.
- 4 High Static Motor Options

 Direct or belt-drive options available to accommodate design conditions up to 1.5" of external static pressure.
- Our electro-mechanical controls use proven, dependable technology to control all cooling and heating operations

technology to control all cooling and heating operations reliably and efficiently. Our numbered and color-coded wires make troubleshooting a breeze.

- 6 Optional Electric Heater Kits
 Factory or field installed kits available up to 24 kW.
- 7 Forkable Base Rails
 Allows for easy maneuvering and installation.

Protection You Can Count On

Our exclusive Protection Plus® service contract program, available in most areas, offers you and your clients the peace of mind of extended warranty protection when the manufacturer's limited warranty ends.
