INTEGRATED HOME COMFORT

Rheem.com

Why Rheem?

Enjoy cool summer days and warm winter nights with a reliable Rheem heat pump. Rheem offers products that fit every budget so your family can enjoy reliable home comfort for years to come. We focus on bringing homeowners 'The New Degree of Comfort' through the development of energy-efficient heating and cooling solutions designed to save money and go easier on the environment. With a Rheem *Classic Series* Heat Pump, you'll enjoy a perfect balance of quality, efficiency and value.

Enjoy the Benefits of Guaranteed Comfort

At Rheem, we understand the needs of everyday living, which is why the Rheem *Classic Series* Heat Pump was designed to guarantee homeowners like you highly efficient performance with improved energy savings and greater comfort.

Energy-Efficient Cooling & Heating Legendary Scroll® compressor technology delivers proven durability and enhanced efficiencies, providing continuous comfort with less energy usage. Your energy savings are further increased by cooling and heating efficiency ratings of up to 15 SEER and 10.3 HSPF.

Curb Appeal Low-profile design blends in with the exterior of your home and is less likely to obstruct views from exterior windows.

Quiet Operation Elevation of the unit off the concrete pad reduces vibrations, allowing for quieter performance.

Low-Cost Maintenance Convenient access to internal components means that contractors can make most adjustments without shutting the entire system down, keeping their time and your cost to a minimum.

Enjoy Long-Lasting Quality and Comfort

We understand that purchasing heating and cooling equipment is an investment. With Rheem, it's one you can expect to continually perform and deliver value for your family long-term. We've designed the Rheem *Classic Series* to provide comfort you can count on.

Protective Design Full metal cabinet protects the coil from hail, lawn debris and keeps children safe.

Superior Finish Powder-painted metal cabinet finish exceeds the industry 1,000 hour salt-spray testing requirement, guarding against the elements and rust, keeping your investment visually pleasing.

Rheem Quality Complete factory run testing ensures your Rheem equipment operates at peak performance before being installed in your home.

Rheem Heating, Cooling
& Water Heating

Founded in 1925, our mission is still simple: Help your family enjoy a new degree of comfort with solutions that keep you cool in the summer, warm in the winter and enjoying hot water year-round. To learn more about our products, including our line of Integrated Home Comfort Solutions, visit us online today at Rheem.com.

Rheem Indoor Air Quality Products

Rheem takes your comfort to the next level with a full line of products designed to remove impurities from the air and maintain optimal moisture levels in your home. To learn more, visit us online today at Rheem.com/IAQ.

Our Protection Plus® extended service protection extends the coverage length and type of your product warranty. Talk to your contractor about the plan that's right for you, or visit Rheem.com/ProtectionPlus.

Our KwikComfort® Financing offers you a convenient way to finance everything associated with your Rheem Home Comfort purchase — your equipment, installation, Protection Plus® extended service protection, maintenance agreements, and more. To learn more, visit us online today at Rheem.com/KwikComfort.

Proper sizing and installation of equipment is critical to achieve optimal performance. Residential split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your contractor for details or visit www.energystar.gov.

* For complete details of the limited and conditional warranties, including applicable terms and conditions, contact your local contractor or go to Rheem.com for a copy of the product warranty certificate. Conditional warranties must be registered through registermyunit.com.
