

HYBRID ELECTRIC WATER HEATER MAXIMUM SAVINGS, CONVENIENCE & PEACE-OF-MIND

Big energy cost savings, added smart features and the quietest operation in its class.

Richmond® Encore® Series Hybrid 50, 65 & 80 Gallon Electric Water Heaters

SAVINGS – High 3.55 - 3.70 UEF (Uniform Energy Factor) and smart features that deliver long-term savings

SMARTEST – Exclusive **Water Leak Detection**, other protective service alerts and maintenance reminders are delivered to your phone for added peace-of-mind⁵

QUIETEST – Operates at a sound level just above a whisper—in other words, **you won't even notice it's on**

More Smart Ways To Save!

Look for savings through state, local and utility rebates³

DESIGNED
TO SAVE
USING LESS
ENERGY

¹80-gallon model savings over lifetime, based on comparison against minimum DOE requirements of product likely being replaced. ²Based on purchase price and energy cost savings of a 50-gallon Richmond® Encore® Series Hybrid Electric Water Heater with 3.55 UEF over a 50-gallon standard residential electric water heater with a 0.93 UEF. ³Consult your tax advisor for details on eligibility requirements for any available tax credits. Rebates vary by state. ⁴Actual savings depend on number of days vacation setting is used. ⁵WiFi Kit, WiFi broadband Internet connection and EcoNet® App required; Notifications are dependent on external factors beyond Richmond's control.

Hybrid Electric Water Heaters

Richmond®
The Water Heater Experts

The Smartest, Quietest and Most Efficient Water Heater Available:

Richmond® Encore® Series Hybrid
Electric Water Heater

50, 65 & 80 gallon models available.

RICHMOND® ENCORE® HYBRID ELECTRIC

SAVE UP TO \$5,000¹ WITH
ADVANCED HYBRID TECHNOLOGY
& ENJOY MOBILE ALERTS

SMARTEST HYBRID DESIGN

WORKS WITH NEST™

Integrate with your Nest™ home automation system for added convenience

MOBILE ALERTS FOR CONVENIENCE

Exclusive Water Leak Detection & High Pressure/Temperature Alerts are sent straight to your phone, so you can avoid potential property damage due to a leak⁵ (in the event of a water leak, it also sets off an alarm at the water heater)

MOBILE ALERTS FOR PEACE-OF-MIND

Keep your family's hot water flowing with maintenance, service and Major Component Alerts sent to your phone⁵

SMART HOT WATER

Smart features like Energy Saver and High Demand modes allow our Hybrid to provide more hot water when needed, while using less energy overall

WIFI & SMART HOME COMPATIBLE

EcoNet® Enabled for use from home or away with the EcoNet WiFi Kit (sold separately) and free EcoNet® App⁵

MORE HOT WATER

Provides more hot water than many standard residential electric models

PAYS FOR ITSELF

THE NEW RICHMOND® ENCORE® SERIES HYBRID ELECTRIC WATER HEATER

is the most efficient water heater available, paying for itself with big savings on energy costs—plus, potential tax credits and rebates.³

COST SAVINGS

Enjoy long-term energy cost savings totaling several thousand dollars¹ and get a quick payback on your investment²

PEACE-OF-MIND SAVINGS

Avoid costly repairs due to water heater leaks thanks to built-in leak detection

PURCHASE AND INSTALLATION SAVINGS

Look for additional savings through your state and local government or utility provider,³ and use the vacation setting to save even more on energy costs⁴

RICHMOND® HYBRID ELECTRIC VS. STANDARD ELECTRIC TANK-TYPE

	Richmond® Hybrid Electric	Standard Electric Tank-type
Energy Efficiency	3.55 EF (268% Higher)	0.93 UEF
Energy Use	1255 kWh (73% Reduction)	4622 kWh
5 Operating Modes including a Vacation Setting ⁵	✓	✗
Warranty	10-Year Tank & Parts Warranty	6-Year Tank & Parts Warranty
Water Leak Detection Alerts ⁵	✓	✗
Local Rebates Available ³	✓	✗
Works with Nest™ ⁵	✓	✗

NOTE: This information is based on a comparison of a 50-gallon Richmond® Encore® Series Hybrid Electric Water Heater and a standard electric tank water heater, defined as an electric residential tank water heater with a 0.93 UEF, and on DOE national average energy costs.

EcoNet® Enabled Encore® Series Hybrid Electric Water Heaters include WiFi-connected technology⁵ that lets you control your Richmond Water Heater settings from home or away and receive automatic maintenance reminders and alerts sent to your phone. Plus, it now works with the Nest™ home automation system for added convenience.
