To Whom It May Concern:

Re: Rheem-Ruud Commercial Water Heater Certification

Please be advised that all commercial water heaters manufactured by Rheem Mfg Co. meet or exceed one or more of following certification standards:

ANSI Z21.10.3
ANSI Z21.10.1
ASHRAE 90.1b
UL174
UL1453
ASME HLW
UL EPH (NSF5)
NSF5
SCAQMD 1146.2
SCAQMD 1121
TNRCC
NAECAII

Please refer to our specification sheets for specific details. Certification is evidenced by the authorized use of independent laboratory testing and approval logos (eg. Underwriters Laboratory (UL), Canadian Standards Association (CSA), National Board of Boiler and Pressure Vessels Inspectors (ASME)).

If you have any additional questions, please contact your local Rheem-Ruud representative, my office (334) 260-1568, or email tolsen@rheem.com

Sincerely,

A handwritten signature in black ink, appearing to read "Tommy Olsen", written in a cursive style.
